organized by Sheri Dore.

Officers arrived in the 500 block of McKinney and observed a line of homeless people on the south side of McKinney waiting to receive food. Officers observed several individuals take food items and cases of water bottles from separate motor vehicles which were parked on Smith Street. The individuals were preparing to conduct a "Food Service Event".

Officers A. Chapa and F. Mata walked to the corner of Smith and McKinney and observed approximately eight people setting up to serve food to the homeless. Officers approached the listed suspect and advised the suspect that signs were posted prohibiting a "Food Service Event" and provided them with a copy of the written warning. Officers also advised the suspect that a new proposed location of 61 Reisner is the preferred location and offered to provide assistance with moving if she wanted. The suspect stated he declined to move and would stay at the current location of 1000 Smith Street. Officer Mata confirmed with the suspect that he would be the one receiving the citation and he stated yes.

The listed suspect (James Foster) and the organization (Food not Bombs) conducted a "Food Service Event" by serving individuals on property without consent. We observed the listed suspect standing at the end of the line handing out approximately 100 meals to the homeless. The suspect violated the City of Houston Code of Ordinance "Conducted a food service event without the consent of the property owner".

As the suspect was nearing the completion of the "Food Service Event", Officer Mata issued the citation M80012025, Conduct a food service event without consent of the property owner. The suspect was given a copy of the citation and advised that the court date was listed on the top of the citation.

Officers then left the location without incident and completed this report.

Body worn cameras were worn and activated by Officer Mata and Officer Chapa.
